Mom,

Would it be okay if we (Nikki and I and Tanq) came down for your b-day dinner next Sunday (the 27th) instead of this Saturday (the 19th)? I know that Sat is technically your b-day, but since Amy can't be there and we don't want to rush it (we would have to be back by 6 - it is our on weekend), we were thinking that it might be better to wait. You can email me back at work or call tonight after 8 (I haven't checked my Hotmail in about a week and I'm scared to do so now!)

Sonja

p.s. Onyx got shaved last Sunday! We took pictures, but still have a few more to take before getting them developed.
